

HYDROPRO INSTALLATION INSTRUCTIONS

EVOLVE
LIGHTING

PROFESSIONAL SERIES IP66 RATED BATTEN

BEFORE YOU START

IMPORTANT: Read all instructions before installing fixtures. Retain for future reference.

SAFETY: For your safety, this fixture must be wired in accordance to local electrical regulation, and to the fixtures specific power requirements and attributes. All work should be done by a qualified electrician or installer.

WARNING: Make certain power is OFF from the electrical panel before starting installation or attempting any maintenance. Indoor installation only.

WARRANTY INFORMATION

The Evolve Lighting standard 5 year warranty applies for this product. Up until 5 years from the date of purchase, we guarantee that this product will be:

- ✓ Free from defects in materials and workmanship
- ✓ Fit for the purpose for which it is designed
- ✓ Matches its specifications and any sample given

During this period, if the product has a defect of this nature, it will be repaired or replaced free of charge by Evolve, with the same item, or an acceptable replacement.

Please ensure that this product is installed correctly, as our warranty service will not apply if:

- ✓ The luminaire has not been installed by a qualified electrician or installer
- ✓ The product has been incorrectly installed
- ✓ The product is installed in an unsuitable environment

Please see our website for further warranty information
